Dear Supporter,

Thank you so much your interest in becoming a monthly donor. We are so thankful for you and your support. It is by regular donations that we can count on, which ensures our programs and services continue to meet the needs of our clients.

As a regular monthly donor you have 2 options:

1. Submit 12 months of post dated cheques to the centre or
2. Pre-authorized Automatic Giving

I have enclosed a form for you to complete if you choose option 2. Once completed, it can be returned to the centre for the automatic giving to begin. If ever you need to change the amount or suspend automatic giving, this can be arranged at your request.

Thank you again for your willingness to partner with us to support women and their families, sharing the hope and love found in Jesus Christ.

Blessings,

Tara Flagler,
Director
